Parish Council Meeting Reports

www.scgpc.org.uk

June 2017

Future Funding of PCSOs

For many years, the Parish Council has provided partial-funding for the cost of two PCSOs in the village. The new Police and Crime Commissioner is changing the way in which it is to be funded from April 2018. Currently, we have Vikki Moulton and Pete Corbett.

There are some options for funding, one of which will have little impact on the Parish Council's budget and the other which will have significant funding implications.

The Council agreed that it was important for residents to have their say about how this public money should be spent, and a questionnaire has been drawn up

and included elsewhere in this newsletter.

Please take the time to fill it in. It is important for all residents, and the Council will take your views into consideration when agreeing its budget for 2018-2019 later in the year.

Village Hall Adaptations

The Parish Council decided a little while ago that the village hall required investment to bring it up to a higher standard.

The adaptation work required at the village hall has been divided into three separate projects:

1. Decoration of the main hall

2. Replacement ceiling in the main hall
3. Up-grading of the toilets to allow for disabled access

The specifications have been drawn up, and the Council is currently trying to identify appropriately qualified contractors to carry out each of these projects.

Planning

Each month the Parish Council considers various planning applications and is able to express their opinion. They are not, however, responsible for the outcome or final decision.

There were two planning applications for the Elephant and Castle Inn, 17/483N - 289 Newcastle Road for the building of 47 houses; and 17/2484N – for new access to the car park.

There were 23 members of the public in attendance, all of whom voiced their strenuous objections to the development. The Parish Council also objected to the applications, citing eight reasons why the development should not proceed. These can be found in the minutes of the meeting.

Vehicle-Speed Display Unit

The Parish Council purchased a vehicle-speed display unit (also

known as a 'SID') earlier in the year but was waiting for Cheshire East Highways to agree a location for the unit. This has now been agreed and we are waiting to hear back from CE Highways as to when they will install it. It is going to be located opposite to The Orchards on Crewe Road.

July 2017

Neighbourhood Plan

The Council embarked upon the preparation of a Neighbourhood Plan in late 2015, acknowledging that this would be a process which would take approximately two years to complete.

The Plan has now reached Regulation 7 status and that means that Cheshire East Council has given approval to designate the neighbourhood area as the whole of Shavington-cum-Gresty parish.

Wessex Close Play Area

It was reported that Cheshire East Council has now received a sum of £10,000 from the developer who is building on land at Newcastle Road. This is known as S.106 money. This money is to be used for improvements to the existing equipped children's play area at Wessex Close, in place of the

provision of an equipped children's play area within the site, the need for which arises directly from the development.

We currently have no date when these improvements will be implemented by Cheshire East Council.

HS2 High Speed Rail (West Midlands-Crewe) – Deposit of Bill Material

The Council was informed that the Department for Transport is working towards the submission of a Bill to Parliament authorising the construction and operation of Phase 2a of HS2. It is a requirement that copies of the Bill and other documents be deposited with the Parish Council. There are over 800 documents and for this reason, they will be placed on deposit at Crewe Library.

We are awaiting confirmation of the date for depositing.

New Church Building

As many residents will know, St. Mark's Church is proposing to re-locate to a new site and is forging ahead with architect's plans for the new building.

At the Parish Council meeting,

Members discussed what might happen to the site on which the church currently stands and has agreed to explore the possibility of purchasing it if it becomes available. No decision has yet been made; this is in the very early stages, but is a key decision for the Council.

August 2017 Road Works at Goodalls Corner

Although not a specific item, the disruption caused by the road works at Goodalls Corner was raised by members of the public who attended the meeting, and also the parish councillors themselves.

The work is expected to last approximately 12 weeks.

Transparency Code for Local Authorities

In an effort to keep the public fully informed about the Parish Council's activities, Members agreed to strive to comply with the 'Transparency Code for Larger Local Authorities'. This is intended for local councils (i.e. town and parish councils) whose turnover is in excess of £200,000, so much of this is not applicable; however, Members were of the view that as there are some provisions which apply to the

Parish Council, it would be in the interests of all its residents to strive to achieve the requirements of the Code.

The Code has been introduced to meet the Government's aim to place more power into citizens' hands to increase democratic accountability and make it easier for local people to contribute to the local decision-making process and help shape public services. The view is that transparency is the foundation of local accountability and gives local people the information they need to enable them to play a greater role in their community.

At present, the Parish Council receives quarterly financial information prepared by the Clerk and this is published on the website. In the future, this is intended to be monthly and details of any transactions which exceed £250 will also be published.

The Parish Council will be considering this matter again at its September meeting.

Speed Watch

The vehicle-speed display unit, known as the SID (speed indicating device) is due to be fitted on Crewe Road, in the not-too-distant future. The precise location has not yet been agreed with Cheshire East Highways but is expected to be somewhere in the vicinity of 101-103 Crewe Road.

The data gathered can be provided to the Police for any appropriate enforcement.

Clean Team

The Clean Team is making good progress, and high-visibility vests bearing the logo 'Shavington Clean Team' are to be purchased for the volunteers.

Did you know? The first Parish Council meeting was held on the 31st December in 1894. William Healing, of Shavington Lodge, accepted an invitation to be Chairman. [#shavingtonhistory](#)

Planning Applications

The Parish Council was consulted on the following planning applications in June, July and August. While the Parish Council can comment on applications, they do not ultimately make the final decision. All planning applications can be viewed on the Cheshire East Council website at www.cheshireeast.gov.uk

June

Number:	17/2472N
Address:	Lime Tree Mews, 39 Rope Lane, Shavington, CW2 5DT
Description:	Two-storey side extension.
Outcome:	The Council objected.

Number:	17/2476N
Address:	416 Newcastle Road, Shavington, CW2 5JF
Description:	Construction of two single-storey buildings to be used for either B1 (offices/light industrial) and/or B8 (storage and distribution) purposes, together with car parking (variation of application 15/2403N)
Outcome:	The Council supported the application.

Number:	17/2483N and 17/2484N
Address:	Elephant and Castle Inn, 289 Newcastle Road, Shavington, CW2 5DZ
Description:	Affordable housing development comprising 47 houses and ancillary works AND New access to car park, reconfigured car park, new garage, including access and bin store, new garden area, paths and boundary treatment.
Outcome:	The Council objected to both these applications.

June Continued...

Number:	17/2576N
Address:	Shavington Primary School, Southbank Avenue, Shavington, CW2 5BP
Description:	Expansion of primary school by a single-form of entry to two forms of entry. This includes the demolition of the existing junior wing, which will then be replaced by a new-build proposal containing all relevant teaching spaces and upgraded ancillary spaces.
Outcome:	The Council supported the application but suggested that additional car parking spaces be provided.

July

Number:	17/2811N
Address:	187 Crewe Road, Shavington, CW2 5AH
Description:	Single-storey extension to rear, alterations to garage roof and internal alterations.
Outcome:	No observations.

Number:	17/3094N
Address:	15 Chestnut Avenue, Shavington, CW2 5BJ
Description:	Rear ground floor extension.
Outcome:	No objection, but comment that building regulations should be strictly adhered to.

Number:	17/3116N
Address:	138 Main Road, Shavington, CW2 5DP
Description:	Outline planning permission for construction of two detached two-storey dwellings and associated works.
Outcome:	The Council objected to the application.

August

Number:	17/3340N
Address:	30 Burlea Drive, Shavington, CW2 5BZ
Description:	Proposed side extension.
Outcome:	No observations.

August Continued...

Number: 17/3327N
Address: 45 Osborne Grove, Shavington CW2 5BY
Description: Two-storey side extension with rear single-storey extension and minor alterations.
Outcome: No observations.

Number: 17/3648N
Address: 416 Newcastle Road, Shavington, CW2 5JF
Description: Removal of condition 23 (mezzanine floors) on application 17/2476N, construction of two single-storey buildings to be used for either B1 (offices/light industrial) and/or B8 (storage and distribution) purposes together with car parking (variation of application 15/2403N)
Outcome: The Council objected to the application.

Number: 17/3466N
Address: Basford West Development Site, Crewe Road
Description: Two totem signs.
Outcome: No observations.

Number: 17/3847N
Address: The Grove, Crewe Road, Shavington, CW2 5JB
Description: Prior approval of single-storey extension 3.9m beyond the rear wall, maximum height of 4m and eaves height of 4m.
Outcome: No observations.

Did you know? In 1925, the Independent Methodist Chapel was sold to Mrs. Frances Darlington for £95. In 1943, Mrs. Darlington conveyed the property to the Boy Scouts Association
#shavingtonhistory

Village Hall

The Village Hall is one of three core Parish Council assets. Comprising a main hall, bar area, kitchen, lounge area and a small meeting room, the Village Hall is used regularly by clubs and organisations in the Parish.

To improve facilities at the Village Hall the Parish Council is planning a major refurbishment to include upgrading of the toilet facilities to allow for disabled access, replacement of the ceiling in the main hall and re-decoration.

The hall can accommodate 120 people and prices start from £10 per hour.

How do I book?

Bookings can be made either by telephone on 01270 650469 or e-mail shavhall@hotmail.co.uk

The Village Hall is not licensed for the purpose of selling alcohol. Alcohol may be given, but not sold. If hirers propose to sell alcohol, they must contact Cheshire East Borough Council for information about the most appropriate licence.

PCSOs

Important Information

What we currently have

We currently have two PCSOs; Vikki Moulton and Pete Corbett. The Parish Council agreed to fund the two PCSOs in partnership with Rope Parish Council. This arrangement has led to the PCSOs having a presence in both Shavington-cum-Gresty and Rope.

Why we have them

In May 2005, the Parish Council was informed that disorder in the village had increased by 55%, with an increase in youth disorder of 17%. Due to changes in the way call-outs were prioritised, it became known in October of the same year that the Police Community Action Team could not respond as and when residents required – this culminated in complaints over many years. In December 2006, the first PCSOs for Shavington-cum-Gresty were introduced. The cost of the PCSOs was ~£66,000 – with Shavington paying £15,000, Rope £7,000 and the police paying the remaining ~£44,000.

The current arrangement means the two Parish Councils fund one third of the overall cost of providing the PCSOs.

Since their introduction, having two PCSOs has considerably helped reduce all forms of crime and youth disorder within the Parish.

What's changing

The new Police and Crime Commissioner is reviewing the funding arrangements for the provision of PCSOs in the Parish.

The Parish Council has been informed that going forward every Parish in Cheshire East will have a named PCSO, but their duties will be split over multiple locations with no guarantee of how much time they will spend working for Shavington-cum-Gresty. It has been suggested that Shavington will share with Rope and Willaston.

The Police and Crime Commissioner is also withdrawing funding for dedicated PCSOs, which currently funds two-thirds of the cost of our current PCSOs worth around £44,000 to Shavington and Rope combined.

If the Parish Councils want to still have a dedicated PCSO(s) this would mean they would now need to fund the full amount for each of them which is £33,800 per PCSO for 2018.

Have your say

What the options are

We currently have two PCSOs, but due to the change in funding structure, we as a Parish Council are asking residents to let us know which option you think we should take, in the best interests of the parish.

When making the decision, we will take all residents opinions into consideration – so make sure you get your voice heard.

The three options are:

- 1 I don't think the Parish Council should continue to fund any dedicated PCSOs.**

We estimate this would save around 16p per week (£8.54 per year) per Band D property. There would be no cost to the parish and a saving of £15,000 from our current position.

- 2 I think the Parish Council should fund one dedicated PCSO.**

We estimate this would add around 21p per week (£10.70 per year) per Band D property. A cost of £33,800 to the parish, an increase of £18,800 from our current position.

- 3 I think the Parish Council should fund two dedicated PCSOs.**

We estimate this would add...

...around 58p per week (£29.93 per year) per Band D property. A cost of £67,600 to the parish, an increase of £52,600 from our current position.

Rope Parish Council have decided not to continue the current PCSO funding arrangement with Shavington-cum-Gresty Parish Council and will not have a dedicated PCSO. The estimates above are based on Shavington-cum-Gresty Parish Council paying the full amount.

Figures are based on the tax base for 2017-2018 which has been agreed as 1757.25 properties and £33,800 per year for each PCSO. We currently pay £15,000. As all of the new houses are built, the tax base will go up which will lower the estimates.

We really would like to know your thoughts on this.

Clean Team

The Shavington Clean Team was set up in May and since then the dedicated group of volunteers have been out twice picking up litter around the Village. Litter has been picked up from Greenfields Estate, Rope Lane, Main Road, Crewe Road and both Play Parks. The area with the most litter was Wessex Close Play Park. Twenty members of the public have been involved so far on our two clean up days; we even had a visitor from America helping!

Some of our volunteers commented on how relatively tidy the village was and that the biggest problem was weeds in the gutters. Residents on the main thoroughfares may be unable to carry out this task due to the volume of traffic and of course, residents' safety is always a priority.

All residents can help to keep the village clean and tidy by:

- 1 ensuring that all hedges and trees do not overhang any pavement adjoining the property
- 2 keeping the pavement outside their property free from weeds where possible and safe to do so
- 3 helping elderly or infirm neighbours to keep their property neat and tidy.

For many years Mr Charlesworth and other residents have been picking up litter around their locality and the Parish Council is very appreciative of their endeavours. Together we can all help keep our village clean and tidy.

Next Clean Team Event

Saturday 9th September, 10am,
Meet at Shavington Village Hall

Contact Details

If you would like to be involved please contact Cllr Rene Hancock on renehancock@btinternet.com or phone 01270 661592.

Allotments

The Parish Council manages an allotment site on Gresty Lane, Shavington.

There is a total of 18 plots, with an annual fee of £25. There are discounts available for those registered as disabled or in receipt of a State Pension.

I'm interested in a plot

Get in touch with us on 01270 812065 to find out about plot availability.

Vine Tree Play Area

The play area was donated to the Parish Council in 1950 by the former Nantwich Rural District Council and was refurbished about 10 years ago. It is currently maintained by the Parish Council.

There are box swings and a hobby horse in the infants play area, and a climbing frame and see-saw in the junior area.

Although previously it had restricted opening times, the play area now remains open at all times.

If you have any thoughts or suggestions for improvements to this play area, let us know on 01270 812065.

Events

All events promoted have been submitted to us online. We accept no responsibility for changes, inaccuracies or cancellations.

If you would like your event listed in our next newsletter, submit it to the following link before 31st October: www.bitly.com/newsgevent
